2014 rates for current[†] EMBO Fellows (in national currency per annum)

[†] fellowships awarded in 2013

The fellowship provides the travel costs for the fellow and his/her family. If the applicant is already at the receiving institute, travel is not paid. The stipend paid depends on the country being visited, marital status, other sources of income and number of children under 18 years of age.

Generally for the first year of the fellowship the *year 1* rate of the year in which the fellowship has been awarded applies. For example, for a fellowship awarded in 2013 the *year 1* rates of 2013 will apply for the first 12 months of the fellowship regardless of when the fellowship is started. For fellows awarded in 2013 the *year 2* rate (below) will be applicable for the second year of their fellowship. Please note that the *year 1* rates (below) are shown only for completeness.
