Nominations

The [Boehringer Ingelheim Foundation](#) invites nominations for the

2020 HEINRICH WIELAND PRIZE

endowed with

100,000 euros.

This prestigious award honours outstanding research on biologically active molecules and systems in the fields of chemistry, biochemistry, and physiology as well as their clinical importance. Since 1964, laureates have been selected annually by the scientific [Board of Trustees](#). Four went on to receive the Nobel Prize.

NOMINATION DEADLINE IS JUNE 1, 2019

Nominations may be submitted at any time and must include the following documents (in English):

- laudation summarizing the achievements of the candidate (maximum two pages, on official letterhead and signed)
- list of five key publications of the last ten years
- CV
- bibliography

Please note that self-applications will not be considered.

Please send your nomination as a single PDF document to:

Dr Sabine Loewer
Boehringer Ingelheim Foundation
Schusterstr. 46-48
55116 Mainz
Germany
