

How to apply

Prepare the following documents:

- Your CV, including a minimum of 2-3 publications in which you were first or last author and or were very involved in.
- Signature letter for application CTRH according to template ([download here](#)).
- Recommendation letter from your head of department and or institute.

Access the online application system

- Create an account [here](#).
- Select CTRH 2019-2020 in the top left.
- Fill in the required fields. You will be asked to write a motivation statement, indicate your role in clinical trials, what you found to be challenging, how you dealt with challenges and your learning needs. You will also be asked a few questions about the institute where you are working to ensure that we select applicants with access to relevant infrastructure.

Good luck with your application! Questions can be directed at training@ehaweb.org.

When do the meetings take place?
